

The quickest way to find great providers and compare their costs.

Finding the right doctor can cost you valuable time and money in the long run. Well, we're changing that with our newly updated **provider search tool**. This user-friendly tool will do all the hard work of finding a provider for you. The **provider search tool** will configure a list of high-quality providers tailored to your preferences. These personalized recommendations are ranked by their network, price, quality, availability, and proximity to you. Now, you can find the best provider for your needs, quickly and easily, online.

The newly updated provider search tool now allows you to:

-  Quickly search for providers in a user-friendly and simplified interface **IMPROVED**
-  Use the "Quick Search" shortcut to jump straight to recommendations for frequently searched provider specialties, in seconds **NEW**
-  Find local in-network providers based on your unique preferences **IMPROVED**
-  Save and organize your favorite providers under the "My Doctors" feature **NEW**
-  View prices and compare costs of high-quality providers in your area **IMPROVED**
-  View and access provider contact info, location, and patient reviews **IMPROVED**
